Evolution Project Contingency Plan

We intend to utilize the below contingency plan in order to maintain and elevate our standing in Atlanta's black gay community, and improve our effectiveness in slowing the rate of new HIV infections amongst young black gay/bi/questioning men in the city. By hosting various outreach and social events around the city we will generate positive attention that it takes to be recognized as leading resource for young black MSMs.

Monday	1st & 3rd Reactive (core group) Meeting @restaurant Stars & Strikes Outreach *Book Club @ Park	-A designated time for our core group to meet and plan events and engagements. -Every Monday a large group of black MSMs gather to bowl. Evo staff along with volunteers will use this time to recruit and promote programs. Beginning in July Daniel will commence the book club that he started at the Evo Center. These meetings will introduce our members to the writings of popular LGBTQ writings.
Tuesday	"Turn Up Tuesday" Outreach w. SMEs	Tuesday nights are BIG on the Atl club scene, as these nights feature many events specifically for our target demographic. Evo staff, along with volunteers, will use these events to engage and recruit participants for MGroup and other programs. **Venues include:** • Extended stay Motels • Apartment complexes • Dugan's • The Daiquiri Factory • Cirque
Wednesday	MGroup @ restaurant Subject Matter Experts (SME) meetings	We plan to host bi-weekly MGroup/SME gatherings at restaurants around the city.
Thursday	1st-3rd Brothers Speak 4th Transcending Words	Brothers Speak will take place every Wednesday at the Phillip Rush Center Transcending Words is our monthly open mic night that takes place at the Kat's Café. This event is very well attended and serves as great promotional tool for our

		programs and events.
	Club Outreach (twice a week)	We will engage club patrons by providing them with condom packets as well as information about Evolution.
Friday	3rd Nerd's NIGHT	An extremely popular monthly gaming event that attracts a wide variety of people to the program.
	4th Friday Food, Fun & Fellowship	Community dinner that brings people together to bond over a delicious meal and discussion.
Saturday	2nd Black YMSM Brunch	A brunch and discussion series intended to shine a light on issues that impact the lives of YMSM in a safe and comfortable environment. The venue for this event will be either room 104 at the agency or someone's home.
	4th Evo BBQ in the Park Outreach	Outreach event designed as a fun way to stir up buzz in the community about Evolution as well as AID Atlanta's services for YMSMs

In addition to the above we also plan to ramp up our social media presence by way of updating our current website, launching a social media campaign and hosting twitter town halls regarding issues facing YMSMs.

CHOICE:*PrEP*

BECAUSE HIV IS A PART OF MY LIFE.
ONE A DAY REDUCES THE FEAR TO PLAY.
I TAKE PrEP.

"PREP" STANDS FOR *PRE-EXPOSURE PROPHYLAXIS*. THE WORD "PROPHYLAXIS" MEANS "TO PREVENT OR CONTROL THE SPREAD OF AN INFECTION OR DISEASE."

PREP IS A WAY FOR PEOPLE WHO DON'T HAVE HIV, TO PREVENT HIV INFECTION BY TAKING A PILL EVERY DAY. THE PILL CONTAINS TWO MEDICINES THAT ARE ALSO USED TO TREAT HIV.

IF YOU TAKE PREP AND ARE EXPOSED TO HIV THROUGH SEX OR INJECTION DRUG USE, THESE MEDICINES CAN WORK TO KEEP THE VIRUS FROM TAKING HOLD IN YOUR BODY.

ALONG WITH OTHER PREVENTION METHODS LIKE CONDOMS, PREP CAN OFFER GOOD PROTECTION AGAINST HIV IF TAKEN EVERY DAY.

YOU'RE NOT PREPARED UNTIL YOU ARE PrEP'D!
